

I usually ask if it is a problem for them that we are Christians. No one so far has said they have a problem. He agreed that sex outside of marriage is sin. Since the crisis was now over, I moved into spiritual counseling. I explained how you can believe there is a God and thus be a God-believer. "You believe that God is one. You do well; the demons also believe, and shudder." James 2:19 NASB). I also explained that eternal life comes with making Jesus your Lord and Savior. ("*...that if you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you will be saved.*" Romans 10:9 NASB). I told him he did not need to do anything at this time if he wasn't ready, but I asked him if he was ready to make Jesus the Lord of His life, which means "boss," and surrender control of his life from this day forward to follow Jesus. He said he was ready and I led him in a pretty long and extensive prayer confessing the sin of sex outside of marriage and for all of his other sins, asking Jesus to make Him his Lord and asking for eternal life, to receive His Holy Spirit, and to receive the baptism of the Holy Spirit.

We estimate we help save 1,000-2,000 babies per year. I received this lovely testimony from a North Carolina pregnancy center:

"Hi, Mr. Parker. I am the Director of a Pregnancy Center in North Carolina. You worked with me on a case over a month ago where a young girl came in and her mother wanted to force her to have an abortion. I want to let you know that young lady reached out to me this week and we did an ultrasound on her and her and her family are really excited now and are preparing for the birth of their baby. They are planning a gender reveal party for the whole family. So I just wanted to reach out to you and let you know you are doing a great job."
